APPELLATION

Bordeaux

ALCOHOL CONTENT

13.5% Alc/Vol.

SOIL

Clay and limestone on the hilltops, clay and sand silts, clay on soft Agen sandstone subsoil

Château Grand Renom Bordeaux Rouge 2015

Bordeaux

Château Grand Renom is a blended wine. It is located at Eynesse, on a rich and diversified terroir. Merlots and Cabernet Francs are strictly selected and sorted in order to produce a typical Bordeaux wine.

VINIFICATION

Each plot is vinified separately to extract the best of them. During the fermentation, there are 3 to 4 punching caps per day in order to extract the most qualitative tannins. After 3 to 4 weeks of fermentation, the wine is racked and the marcs are pressed.

AGEING

After malolactic fermentation, the wine is matured in French oak barrels for 12 months. Only 1/3 of new barrels are used in order to keep the wine's fruitiness.

TASTING NOTES

Appearance : Ruby colour.

Nose : Delicate aromas of fruits (blackcurrant, blackberry, cherry) with some cedary notes.

Palate : Well-balanced on the palate, with smooth and soft tannins and a delicate freshness.

VINTAGE REPORT

From the end of September to the beginning of October. Mechanical harvest with on-board sorting to only keep the best grapes.
