Château Grand Renom Bordeaux Rouge 2017

Bordeaux

Château Grand Renom is a blended wine. It is located at Eynesse, on a rich and diversified terroir. Merlots and Cabernet Francs are strictly selected and sorted in order to produce a typical Bordeaux wine.

VINIFICATION

Maceration and pumping over were shorter than usual, with wines expressing fine, fresh fruitiness. Freshness was also found on the palate.

AGEING

Wine was matured in vats to keep its full potential. A few one-wine barrels were added to the maturing process for extra complexity.

TASTING NOTES

A fruity, rich wine, with a beautiful ruby-red colour. Delicate notes of red and black fruit (blackcurrant, blackberry, cherry) enhanced by a hint of woodiness. Balanced on the palate, the attack is full-bodied and pleasant. Tannins are silky and delicate with fine aromatic freshness.

FOOD PAIRINGS

Delicatessen, red meats or hard cheeses.

VINTAGE REPORT

Mechanical harvests from the beginning of October
