

**GRAPE VARIETIES**

Merlot, Cabernet  
Sauvignon

**APPELLATION**

Bordeaux supérieur

**ALCOHOL CONTENT**

14% Alc/Vol.

**SOIL**

Saint-Loubès has  
gravelly soil, with many  
surface pebbles. Soil  
texture is relatively  
loamy. At Mirefleurs,  
soils are silty and  
loamy-sandy in texture.

## Château Mirefleurs 2017

Bordeaux supérieur

The fine terroir of Château Mirefleurs produces great wine, with a fine bouquet of ripe black fruit accompanied by red fruit and flowers, enhanced by woody notes. Structured and aromatic on the palate, enhanced by cedar notes and supple, concentrated tannins.

**VINIFICATION**

Maceration and pumping over time was shorter than average, with wines expressing fine, fresh fruitiness. This freshness is also to be found on the palate.

**AGEING**

With the power and complexity of Merlot, Château Mirefleurs wine was enhanced with 12-months maturing in barrels, 10% in new oak. The complexity of the woody notes blends perfectly with the rich flavour and roundness of Merlot.

**TASTING NOTES**

With flavours of ripe black and red fruit, flowers, accompanied by some woody notes. Structured and aromatic on the palate, enhanced by cedar notes and supple, concentrated tannins. The wine is well structured, complex and concentrated

**VINTAGE REPORT**

Beginning of the harvest the 1st of September
