13% Alc/Vol.

SOIL

a gravel plateau on
limestone foundation.

Château Liversan 2016

Haut-Médoc - Cru Bourgeois

Château Liversan is located at Saint-Sauveur, west of Pauillac. The vineyard is 51 hectares and is planted on sandy-silty gravel on the surface, gravelly clay with quartz fractions and limestone fragments at depth, with fossil-rich limestone subsoil.

VINIFICATION

The grapes are great, fermentations are led depending on ap management, day after day, in order to extract colour, aromas and tannin. For the maturation process, the wood will make the wine

AGEING

In French oak barrels: 25% in new barrels, 25% in one-wine barrels, 25% in two-wine barrels and 25% in vats, from 12 to 14 months.

TASTING NOTES

Appearance : Fairly deep, ruby red.

Nose : Very expressive, light and woody with complexity.

Palate : Tannins are delicate and silky smooth with wonderful concentration.

FOOD PAIRINGS

Grilled food and sauce dishes, white meats and certain freshwater fish.

VINTAGE REPORT

3rd to 25th of October
